POLICIES:

Since these are optional after-school programs, limited by budgets and staff availability, we have adopted a series of policies, some of which are outlined here.

- Parents/guardians will be responsible for picking up students on time at 4:45pm (or 5:15pm if enrolled in Homework Club). We would like our classes to be accessible to all families, so please contact us with any transportation concerns.
- The behavior expectation is that all students are respectful, responsible, and safe, and follow the rules set forth in the MMSD Behavior Education Plan. In the event of behavior issues, parents/guardians will be notified. Three infractions will result in dismissal from the program, in which case no refunds will be given and the child will not be considered for re-entry into the program until the following school year.
- We will do our best to make accommodations to meet the needs of as many students as possible. If accommodations cannot be made, the student will be put at the top of the list for a different class when accommodations can be provided.
